

Cheshire Cricket League

Minutes for Executive Meeting – Thursday 24th October 2019

Broadbottom CC – after AGM

Present

All bar High Lane, New Mills, Offerton and Tintwistle

Apologies

Tom Bellieu and John Richards

Correspondence

- Several emails from Cheshire County regarding training courses which have been passed on to Cheshire Clubs. Apparently they already receive these so no longer need to be forwarded on
- Orders from clubs re League Dinner- currently up to 106 attending with capacity of 150- so get your orders in now! (Update 28/10/2019- now 110)
- Several replies to League Questionnaire, and we are trying to arrange committee members to attend meetings. As some meetings are very soon, it is possible we may not get to these until early next year.
- Nothing received from Derbyshire but apparently one or two clubs have received information from them. Asked that it be forwarded to me so I could pass to other clubs
