Next Meeting

21st February at Three Tunnes Hazel Grove, 8pm

The Glossop Glass & Glazing Derbyshire & Cheshire Cricket League

Appendix 1

To All Clubs:

PERFORMANCE QUALITY STANDARD (PQS) OUTFIELD ASSESSMENT PROJECT

Nick James (Cheshire and ECB Grounds Adviser) has secured part funding from the Cheshire Cricket Board towards Outfield Advice for Clubs. Three CCCL clubs took part in a pilot and the scheme is open to other Cheshire Clubs.

There is a part payment of £100 by the Club.

A full inspection of the outfield together with analysis of samples is taken and a full report on the condition of the outfield and a work programme is provided. This includes fertiliser, seed, machine operations such as vertidrainage, scarifying etc and follow up advice.

If you remember we ran a similar scheme for pitches a few years ago which Clubs took advantage of..

If your Club is interested please contact Nick James at Nicholas.James5@ntlworld.com or 07808 723110

John Bygate (Grounds Chairman)
