Correspondence

- Chapel Happy to host AGM in November so need to set date and format. This is in process of being arranged
- Email from Brian Birtles of Cheshire League regarding a request for a meeting, and also some areas we could discuss. Although not willing to commit to anything at this stage, it was felt that a meeting would be a good idea with myself and Martin Cooper in attendance. Dates to be advised- probably now after the season.

Treasurer

- Tom was not in attendance and has tendered his resignation as Treasurer at the end of this season. The Management Committee would like to thank Tom for his sterling work over many years and hope he enjoys his “retirement”
- Tom has provided a financial update and we have £5,127.80 in the two bank accounts. Readers have been paid for the Match Balls, and there are some monies outstanding which are being chased up via myself.
- To cover Tom leaving, Paul Eyre is to be a new signatory on the bank accounts so we can keep the league functioning whilst the new treasurer gets his feet under the table..

Junior Cricket

- Den feels that the junior season went really well and we were all in agreement with him. Under the circumstances Den has done an excellent job, with the help of Conor and they should be congratulated on this. The only thing outstanding are several results at all levels so we can get the final league positions prepared.
- There have been enquires from surrounding leagues asking whether they can enter teams into our junior set up. Any enquiries will be considered BUT we need a “written” (preferably email) request.

Senior Cricket.

- The Hawke Trophy was won by Old Glossop in a close game with Newton at Old Glossop.
- The second division final is on the 13th September commencing at 12.30pm, and is again between Old Glossop and Newton. It was a toss up for the venue and Old Glossop were again the winners of this.
- Sunday 13th September is also the date of the Bissenden Semi Final and Final- Hazel Grove already being one of the finalists after beating Tintwistle last week- well done to them.

The Glossop Glass & Glazing Derbyshire & Cheshire Cricket League

- The other semi final is between Chapel and Broadbottom and is to be held at CHAPEL, commencing at 10.30am. The early start is due to the final being played directly afterwards (hopefully 2pm start) again at CHAPEL. Good luck to all three teams on the day
- Please note there is NO promotion or relegation this year.
- There were several discussions regarding the format of the league next year, and a better use of third team cricket was discussed. Neil Shaw and Martin Cooper are meeting to try and bring a format together so we can present something at the AGM

Finals Committee,

- Again, we need all trophies back so that they can be presented to this years winners. Please contact Steve Monks on 07540-282591 to arrange getting the trophy to the league..

Transfers, Disciplinary Committee

- One matter being dealt with via Karl Williams, disciplinary secretary.

League Dinner

- This is obviously not going ahead this year and we are trying to find out what is the position regarding the £500.00 deposit that has been paid. John Richards is dealing with this matter but having difficulty due to Bredbury Hall being closed.

Sponsorship Committee

- Nothing to report this meeting

Any Other Business

- I will start amending contact lists in near future as I have now got a new computer which will make doing this much easier.
- Part of the discussion between Neil and Martin is to try and stop forfeited games so that teams play more cricket.
- To ensure the umpires are kept informed of what's happening then we would like 1 or 2 umpires to join the committee for next year. I am also going to try and get a list of more umpires email addresses

Next Meeting

Monday 5th October 2020 again at 7.30pm, again at Old Glossop.

Further details for the AGM will follow
