EARLY GROUND INSPECTION PROCEDURES IN THE EVENT OF PROLONGED BAD WEATHER

2012 saw considerable disruption across the League as a result of bad weather and there were numerous instances of Clubs travelling to away games in the knowledge that their game was highly unlikely to be played due to the weather. In an effort to try to reduce wasted journeys, a new procedure will be introduced.

OVERVIEW. The new system will revolve around the use of a panel of League Umpires who will be allocated a number of grounds within reasonable reach of their home address and who will be available to carry out inspections on a Saturday morning (or Sunday morning for Cup matches).

It is critical that the system is not abused. Before making a call and requesting an inspection, the home Captain must be reasonably satisfied that the ground conditions are such that it is unlikely that a game will take place on that day.

PROCEDURE. If, in the days leading up to the day of the match, the weather has been such that the scheduled game could be under threat, and if, on the day the weather conditions are still unfavourable, the home Captain or nominated deputy must inspect their ground as early as reasonably possible on the morning of the game.

If the home Captain believes that the scheduled game is seriously at risk, he should refer to the list on page 7 and contact the nominated Umpire NO LATER than 10:00 am. Once an agreed time for the inspection has been agreed, he must then contact the visiting Captain to offer him or his representative, the opportunity to attend.

The inspecting Umpire will make his inspection unaccompanied by either Captain and will then decide whether (a) the game should be called off immediately or (b) whether, in his opinion, there is a reasonable prospect of the game starting by the latest time allowed for in Section 3 Rules i.e 150 minutes after the scheduled start time. The visiting Umpire is, and will remain, the SOLE arbiter of fitness of ground etc.

In the case of (a) above, the Home Captain or nominated deputy must take the following steps. If the visiting Captain is not present, telephone him to advise that the game has been called off. He must then contact the nominated Umpire(s) scheduled to attend and advise them accordingly. He must then pay the visiting Umpire £5 as would be usual for a game which cannot be played. In the case of (b) above, the nominated Umpire(s) will attend as normal. The home Captain will advise the Umpire(s) that an early inspection has been made and thereafter, the game will be under the control of the nominated Umpire(s)

In the event of a panel Umpire being unavailable or away, the home Captain should attempt to contact either the nominated Umpire(s) for the game or another League umpire who lives in the vicinity.

ECB CODE OF CONDUCT

1.1 Code of Conduct

- 1.1.1 The ECB is committed to maintaining the highest standards of behaviour and conduct. This Code of Conduct incorporates the Spirit of Cricket, as set out below. It applies to all matches played under the auspices of the ECB and may be applied to cricket in general.
- 1.1.2 The captains are responsible at all times for ensuring that play is conducted within the Spirit of Cricket as well as within the Laws.
- 1.1.3 Players and team officials must at all times accept the umpire's decision. Players must not show dissent at the umpire's decision or react in a provocative or disapproving manner towards another player or a spectator.
- 1.1.4 Players and team officials shall not intimidate, assault or attempt to intimidate or assault an umpire, another player or a spectator.
- 1.1.5 Players and team officials shall not use crude and/or abusive language (known as "sledging") nor make offensive gestures or hand signals nor deliberately distract an opponent.
- 1.1.6 Players and team officials shall not make racially abusive comments nor indulge in racially abusive actions against fellow players, officials, members and supporters. Clubs must operate an active open door membership policy whilst respecting player qualification regulations and welcome players/members irrespective of ethnic origin.

- 1.1.7 Players and team officials shall not use or in any way be concerned in the use or distribution of illegal drugs.
- 1.1.8 Clubs must take adequate steps to ensure the good behaviour of their members and supporters towards players and umpires.

3) Social Media Policy

DERBYSHIRE AND CHESHIRE CRICKET LEAGUE POLICY ON THE USE OF MEDIA INCLUDING SOCIAL NETWORKING SITES

Each Club in the League undertakes not to publish through the media derogatory, misleading/mischievous or offensive comments about the League, its Officers and Committees, Umpires, Scorers, other Clubs and their players/members. To do so could be viewed as bringing the League into disrepute. For the avoidance of doubt, "media" shall include, but is not exclusive to, Club websites, newspapers and other publications, and the use of social networking sites such as Twitter, Facebook, Google Plus etc.

If any person in any Club within this League breaches this policy, the Club concerned may be liable to a fine and the author of such comments may be liable to individual disciplinary action. It is imperative therefore that all Clubs remind their members of their responsibilities under this policy.

*Ian Halford,
Hon. Secretary.
April 2016*

4) DCCL Players Code of Conduct

The Derbyshire and Cheshire Cricket League has adopted the following Code of Conduct for all its stakeholders.

Please make yourself familiar with the Code

DCCL Players Code of Conduct

- I will always play by the rules and the Spirit of the Game.
- I will never argue with an Official. If I disagree with a decision I will inform the captain, coach or manager during a break or after the competition.
- I will control my temper. I understand that verbal abuse of officials, sledging other players, and deliberately distracting or provoking an opponent are not acceptable behaviour in any sport. Abuse of equipment or displays of bad temper are neither acceptable or permissible.
- I will work equally hard for myself and my team.
- I will be a good sport and applaud all good play whether they are made by my team or the opposition.

- I will treat all players in my sport as I like to be treated. I will not bully or take unfair advantage of another competitor.
- I will wear proper and approved cricket attire and required safety equipment at all times on the field of play.
- I will cooperate with my coach, team members and opponents.
- I will display modesty in victory and graciousness in defeat.
- I will respect the rights, dignity and worth of all people involved in the game, regardless of their gender, ability or cultural background.
- I will thank the opposition and officials at the end of the game.

5) DCCL Disciplinary Procedure

The Derbyshire and Cheshire Cricket League Disciplinary Panel will deal with all reported complaints/incidents/grievances which relate to a breach of League Rules, MCC Laws, indiscipline and any other matter considered to be a breach of standards as described above. The Panel will act independently of the League Management Committee and will be established annually by the League Management Committee. The Panel will comprise of four elected members of the League Management Committee and three other senior members of the League.

All complaints/reports from whatever source must be submitted in writing (which shall include electronic mail) to the Secretary of the Panel or his deputy. His deputy, if the Secretary of the Panel is unavailable, shall be the League Secretary or, if unavailable, any member of the League Management Committee. The written submission must reach the Secretary of the Panel (or deputy) within 10 days of the alleged incident/grievance or breach of standards.

The Disciplinary Panel will initially consider all reports received to establish if an offence may have been committed. Where an offence may have been committed then the following shall apply. The Panel will supply copies of all documentation to the appropriate County Welfare Officer where Child Welfare Issues are associated with any complaint/report and will adopt any appropriate action recommended.

If the report relates to a Club rather than a player/players, then this will be dealt with solely by the Disciplinary Panel. If however, the report relates to a player/players then, in the first instance, the report will be forwarded to the Club or Clubs concerned. The Club(s) will then be required to conduct a full internal investigation into the report. However, if the allegations are deemed to be of a serious nature, then the Disciplinary Panel reserve the right to deal with the matter without initial recourse to the Club/Clubs concerned). Any reference to player/players as above shall also include any other individual or group of individuals.

Thereafter and within 10 days, the Club(s) will report back to the Disciplinary Panel with full details of their findings and full details of any sanction or penalty that the Club/Clubs have imposed.

If the Disciplinary Panel, having received the reports from the Club(s) concerned, then consider that a Disciplinary Hearing is required, the parties will receive notification in writing or by electronic mail of the date, time and venue of that Hearing. This notification will also show details of the alleged offence(s)

The Disciplinary Hearing will be heard by no fewer than three of the seven members of the Disciplinary Panel and the Secretary of the Panel will act as Secretary at the Hearing. If the Secretary of the Panel is unavailable, then another member of the Panel will deputise. This shall also apply in the event of an Appeal Hearing.

Welfare matters are paramount and as noted the appropriate County Welfare Officer will always be consulted where Child Welfare Issues are involved. Any junior charged with an offence or asked to appear as a witness must be accompanied by a responsible adult who would normally be parent, relative or Club Welfare Officer. This adult should not otherwise be involved directly in the events which are the subject for the Hearing.

Any player or Club suspected of an offence has the right to be represented at any Hearing. It shall be the Club(s) responsibility to ensure that their player(s) are afforded this opportunity.

Judgement will only be made against an individual or Club based on the evidence submitted in writing or submitted at a Hearing.

Should there be an Appeal in respect of the decision of the Disciplinary Panel, such appeal must be submitted in writing (including electronic mail) to the Secretary of the Panel (or deputy) within 7 days of the Disciplinary Hearing. A non returnable deposit of £25 must accompany the written appeal.

Such communication must detail the grounds for the Appeal. The Appeal will be heard by the League Management Committee. The four Management Members of the Disciplinary Panel will not sit on the Appeal irrespective of whether they were members of the original Hearing.

The Secretary of the Panel (or deputy) will act as Secretary at the Appeal Hearing.

For the avoidance of doubt and in line with ECB recommendations, any decisions reached by the Disciplinary Panel will be on the basis of the balance of probabilities and not as before, beyond reasonable doubt

Leagues must inform member clubs, who in turn must advise their players, that any player suspended for part or all of the forthcoming season may have their information shared with other leagues. The details are to include the players name, club, the nature of the offence, the sentence and the start and end dates of the suspension.

What has Safeguarding got to do with us? We just want to play cricket!

This is something I hear from time to time, and it does disappoint me.

Given what has been happening in football recently, with players coming forward to say that they were abused as children, I am certain everyone in sport understands the need to make sure children are safe in their sport.

This means making sure we follow the guidance the ECB gives us, and especially it means making sure we carry out the basic checks on people who will have a responsibility towards children in cricket.

The ECB website provides the following information:

“The England and Wales Cricket Board is firmly committed to creating a safe and enjoyable environment for children to enjoy the game.

Key to this is the recruitment and vetting of the many invaluable individuals who create many rewarding experiences in cricket.

All organisations working with children have safeguarding responsibilities and clear requirements placed upon them by legislation and guidance. This applies whether you are a club, league panel or another organisation. It is there to ensure safe recruitment practices for individuals who work with children, including policies on when to obtain a criminal records check.

The ECB guidance on the roles in cricket that require a vetting check are available on the ECB website: <https://www.ecb.co.uk/safeguarding/dbs-checks-ecb-vetting>

The roles in cricket that require ECB vetting are:

- Welfare Officer (Club, League, County)
- Volunteer Co-ordinator
- Coach (volunteer or paid, assistant or lead)
- Umpire
- Scorer
- Colt/Junior Manager
- Age Group Manager
- Open-Age Team Captain
- Junior Supervisor
- First Aider/Physiotherapist/Medical Support

To obtain a DBS application form or if you have any queries regarding your application, please contact GB Group on 0845 251 3000"

Or you can contact me.

There really is no excuse for us not to do what we need to do.

We know there are people who have unhealthy reasons for wanting to be around children. We know there are a number of people in Cheshire who have been banned or suspended from working with children. Some of these have served prison sentences for offences against children. One individual is currently serving 15 years.

Our children and young people need us to make sure our game is as safe as it can be. Parents are now advised by Government to ask if people at Sports Clubs are vetted, and we should be able to say – hand on heart – that everyone is vetted who needs to be.

It's easy to do – let's do it.

Let's make 2017 the year where all vetting checks are completed before the start of the season, and really show that we value the safety of the children and young people who take part in cricket in our County.

NEED FOR SPONSORSHIP AND INDIVIDUAL DONATIONS

We thank Kookaburra-Reader & High Peak Cricket Society for their continuing sponsorship of the Junior Section. To continue with the development of our juniors at all levels we would welcome further help, as we no longer get aid from the Counties.

We hope to introduce winter coaching for our Junior League Squads. It would be nice to have sweaters or other apparel for our League teams to improve the image of our League, and to make the players proud to represent the League.

Most inter-League games cost a minimum of £100 to put on at home, similarly cup finals.

SO GO ON SPONSOR A COMPETITION, A FINAL, ONE OR MORE OF OUR REPRESENTATIVE TEAMS, COACHING OR ANY OTHER AREA YOU MAY CONSIDER.

We have seen many changes in the DCCL, most of them we believe for the better. Our League is stronger than ever before and we now compete at all levels, not just make up the numbers. Let us continue to build and improve, Give us YOUR SUPPORT.

COACHING AND DEVELOPMENT

Cheshire affiliated clubs should liaise initially with Richard Newton or Gareth Moorhouse at Cheshire Cricket Development – Northwich:
Tel: **01606 871200**

Are you batting, close fielding or keeping wicket?

Get protected by wearing the latest British Standard helmet.

BS7928:2013 is the latest helmet standard to look for on both adult and junior helmets.

Does your helmet pass the test?

Only use junior helmets that have been tested against a junior ball.

Women's helmets should be tested against both men's and junior balls.

U18 players should all be wearing the newest standard helmet for matches and practice sessions.

The Final will have a tea break between innings or at a time decided by the umpires should there be an interruption in play.

If the match is abandoned the final shall be replayed on a mutually agreed date by both teams. If the match ends in a tie, then the league title will be shared between the competing finalists.

7. Each bowler may bowl a maximum of 3 overs and every outfielder (including the wicketkeeper if this position is rotated) must bowl at least 1 over
8. In all matches, no fielder, except the wicketkeeper, shall be allowed to field nearer than 11 yards measured from the middle stump except behind the wicket on the "off" side.
9. The points are as follows:

 - 1 point for an abandoned game.
10. League Finals Day.
 - (a) Finals Day will be held at a venue to be decided on the basis of bids received before the season opens. The finalists will be the two divisional winners plus the two best runners up. There will then be two semi finals based upon the 40 over per match format and thereafter a League Final again in the same 40 over per match format. The conditions of play for the semi finals and the Final will be the same as for the weekly League matches. The day will commence at 10:00 am and each semi final will be played as outlined with a 10 minute break between innings. The Final will have a tea interval of 25 minutes between innings or at a time decided by the Umpires should there be an interruption in play. If tea is not taken between innings, the interval shall not exceed 10 minutes.

The semi final order of play will be decided through a random draw undertaken prior to the day and supervised by the League Management Committee. Competing teams will be advised of their opponents and match time before Finals Day.
 - (b) Under normal circumstances, the 1st semi final would commence at 10:00 am and the 2nd semi final shortly after the end of the 1st semi final. If, however, a semi final cannot commence as scheduled due to the prevailing conditions, the following shall apply: For every complete 9 minutes lost, 2 overs will be deducted from the total number of overs to be bowled. If a semi final can start before 45 minutes have elapsed, then the match will proceed with reduced overs as above.

If no play is possible before 45 minutes have elapsed or a game having started cannot continue to a conclusion, then the match is deemed as abandoned and the result shall be decided by a bowl out – See Page 55 –Section Four Para 4(L)

In the event of a tied match in a semi final, the result shall be decided by a bowl out.

If the start of the Final is also delayed, the same overs reduction and time limitation will apply. If the match is subsequently abandoned it shall be replayed on a mutually agreed date by both teams. If the match ends in a tie, then the League title will be shared between the competing finalists.

SECTION Junior 5

2. The ball shall weigh 4.75 ounces and only League approved cricket balls shall be used.
3. Each Under 11 team shall comprise of 8 players. If a team has 7 players, the opposition shall choose 1 player from the first 3 pairs to make up the fourth pair with points awarded in the normal manner. If a team has 6 players, the match will be played with the fourth pair made up in similar fashion but the points will be forfeited to the opposition. Normal Group Match Ratio applies.
4. Each game shall consist of one innings per side, each innings shall be of 16 overs duration. Play shall commence at 10:00 am for Sunday games.
5. If any Under 11 match does not start or cannot be completed because of weather conditions, a new date shall be mutually agreed and the match replayed within 7 days. If this does not happen, the match shall be treated as an abandoned game. If for any reason, the original Sunday match does not start by 10:35 am, the match becomes a 24 over match (maximum 12 per side) and no match shall start after 10:50 am.

6. An Under 11 batting side shall be divided into pairs, each pair batting for 4 overs. Pairs shall change at the end of the 4th, 8th and 12th over. For a reduced overs Under 11 match, each pair will change at the end of the 3rd, 6th and 9th over.
7. Each team shall commence its innings with a score of 150 runs.
8. Batsmen shall have unlimited "lives" but each life lost shall result in 5 runs being deducted from the total. Batsmen shall change ends at the fall of a wicket with the exception of the last ball of an over.
9. Each player of the fielding side must bowl (including the wicketkeeper if this position is rotated). No player shall bowl more than 3 overs in a full match or 2 overs in a reduced overs match. Umpires should use common sense when adjudging wide balls and no over should exceed 8 deliveries, legal or otherwise.

If, however, a semi final cannot commence as scheduled due to the prevailing conditions, the following shall apply: For every complete 9 minutes lost, 2 overs will be deducted from the total number of overs to be bowled. If a semi final can start before 45 minutes have elapsed, then the match will proceed with reduced overs as above.

If no play is possible before 45 minutes have elapsed or a game having started cannot continue to a conclusion, then the match is deemed as abandoned and the result shall be decided by a bowl out – See Page 53 –Section Four Para 4(L)

In the event of a tied match in a semi final, the result shall be decided by a bowl out.

If the start of the Final is also delayed, the same overs reduction and time limitation will apply. If the match is subsequently abandoned it shall be replayed on a mutually agreed date by both teams. If the match ends in a tie, then the League title will be shared between the competing finalists.

ECB Fast Bowling Match Directives

Issued October 2009. For any subsequent changes visit www.play-cricket.com

AGE:	MAX. OVERS PER SPELL	MAX. OVERS PER DAY
Up to 13	5	10
U14, U15	6	12
U16, U17, U18, U19	7	18

For the purpose of these Directives a fast bowler is defined as a bowler to whom a wicket keeper in the same age group would in **normal circumstances** stand back to take the ball.

Having completed a spell the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his* spell have been bowled from the same end. A bowler can change ends without ending his current spell provided that he bowls the next over that he legally can from the other end. If this does not happen his spell is deemed to be concluded. If play is interrupted, for any reason, for less than 40 minutes any spell in progress at the time of the interruption can be continued after the interruption up to the maximum number of overs per spell for the appropriate age group. If the spell is not continued after the interruption the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his spell before the interruption have been bowled from the same end. If the interruption is of 40 minutes or more, whether scheduled or not, the bowler can commence a new spell immediately.

Once a bowler covered by these Directives has bowled in a match he cannot exceed the maximum number overs per day for his age group even if he subsequently bowls spin. He can exceed the maximum overs per spell if bowling spin, but cannot then revert to bowling fast until an equivalent number of overs to the length of his spell have been bowled from the same end.

If he bowls spin without exceeding the maximum number of overs in a spell the maximum will apply as soon as he reverts to bowling fast.

Captains, Team Managers and Umpires are asked to ensure that these Directives are followed at all times.

For guidance it is recommended that in any 7 day period a fast bowler should not bowl more than 4 days in that period and for a maximum of 2 days in a row

Age groups are based on the age of the player at midnight on 31st August in the year preceding the current season.

*Any reference to he/his should be interpreted to include she/her.

ECB Guidelines for Junior Players in Open Age Group Cricket

The ECB has issued guidance covering the selection and participation of young players in open age group cricket. It is designed to help clubs to decide when to select young players in open age group cricket and how best to help their cricketing development when they play within open age groups. The ECB keeps these guidelines under review and, following feedback from clubs and leagues, has revised these guidelines for the 2011 season. The ECB will continue to monitor the impact of these guidelines and you are invited to feedback your thoughts and comments in writing to the ECB Non-First Class Cricket Department.

1. Making the step up from junior to open age group cricket is a significant event in any player's cricket experience. Ensure that the player's safety, personal development needs and overall cricket experience are considered.
2. There is no definitive age at which they should be introduced to open age group cricket but determine each case on an individual basis dependent on their ability and stage of cognitive and emotional maturity to take part at this level, however, clubs, squad coaches and managers must take into account the requirements on age at point 9 of this guidance
3. ECB Fast Bowling Directives and Fielding Regulations should always be adhered to for junior players in open age group cricket.
4. Provide an opportunity for players to show their talents in an appropriate way. Children who are just used as fielders will not fully experience the game.
5. Be supportive at all times for all forms of effort even when children are not successful. Try and put them in situations where they will experience some success (however small) and ensure plenty of praise and encouragement.
6. Try and involve them in all aspects of the game wherever possible i.e. socializing, team talks, practice, decision making etc. so that they feel part of the team.
7. Children will often feel more comfortable and able to perform if they have a family member or friend also playing in the side.

8. Remember, children's early experiences will remain with them always and will often determine whether they want to remain playing the game or give up and do something else!
9. Players who are selected in a County U12 squad in Spring for a summer squad or in another squad deemed by ECB Performance Managers to be of a standard above 'District level' for that season are eligible to play Open Age Cricket. This is providing they are at least 11 years old, and in School Year 7 on 1st September in the year preceding the season and have written parental consent to play. In allowing these players to play in Open Age Cricket it is essential that Clubs and Coaches recognise the 'Duty of Care' obligations towards these young players.

This means that County Squad and Area Squad players, both boys and girls are able to play Open Age Group Cricket if they are in U12 Age group and are a minimum of 11 years old on 01 September of the year preceding the season. District and club players who are not in a County or Area squads must wait until they reach the Under 13 age group, 12 years old, Year 8 on 01 September of the preceding year prior to being able to play in any Open Age Cricket, again written parental consent is required for these players.

The Duty of Care should be interpreted in two ways:

- Not to place a young player in a position that involves an unreasonable risk to that young player, taking account of the circumstances of the match and the relative skills of the player
- Not to create a situation that places members of the opposing side in a position whereby they cannot play cricket as they would normally do against adult players.

In addition the guidelines note the need for clubs and leagues to recognize the positive experience that young players should have in open age cricket and thus clubs should provide an opportunity for players to show their talents in an appropriate way.

Children who are just used as fielders will not fully experience the game. By reproducing the Guidelines in the League Handbook, the effect is that this now becomes a League rule. In addition to the details reproduced above, the League has decided to impose additional conditions as per paras 1-4 below:

Junior Players who meet these requirements will be allowed to play in 2nd XI cricket ONLY.

Such players must be endorsed by a letter not only from parents but from the County Coach/District Coach.

Clubs wishing to make an Under 12 player available for selection for 2nd XI cricket must apply to the League Management Committee in writing and provide the letters of consent in (2) as evidence to the application.

If the application is approved, the League Management Committee will supply the Club with written confirmation which can be presented to the Umpire(s).

The Duty of Care obligations are paramount.
